**Declaration:**

We hereby declare that our parking systems (entry and exit terminals, pay stations) equipped with optional RFID modules comply with the requirements of **Directive 2014/53/EU (RED)**.

The following RFID modules are installed as optional radio components in our devices:

- RFID modules from **HID Global**
- RFID modules from **Baltech AG**
- RFID modules from **SpringCard**
- RFID modules from **Deister Electronic**

The RFID modules mentioned each have their own EU declaration of conformity in accordance with Directive 2014/53/EU.

The modules are integrated unchanged and in accordance with the manufacturer's specifications. Compliance with the essential requirements of Article 3 of Directive 2014/53/EU is ensured by the declarations of conformity issued by the respective module manufacturers.
